PROFILE

To achieve excellence within a dynamic organization through hard work, dedication, and a relentless commitment to delivering results within defined timelines. I aim to exceed expectations by continuously improving my skills, fostering innovation, and contributing to the organization's growth and success. My goal is to be an active contributor to meaningful projects that align with organizational objectives while driving professional and personal development.

WORK EXPERIENCE

Official Website Development for Government PG College, Satna

Overview: Successfully collaborated with a team to design and develop the official website for Government PG College, Satna, with a strong emphasis on usability, accessibility, and performance.

Key Contributions :

Front-End Development : Played a pivotal role in implementing user-friendly front-end functionalities using HTML, CSS, JavaScript, ensuring a visually appealing and responsive design.

Testing and Debugging: Conducted extensive testing to identify and resolve performance bottlenecks and ensure compatibility with various browsers and operating systems.
